

BIG IDEAS

There's a famous story about a great rabbi who lived about 2000 years ago named Hillel. He is challenged to teach the entire תורה while standing on one foot. Since it's hard to balance on one foot for a long time Hillel had to sum up the most important lessons of the תורה really quickly. In other words, he had to figure out what the BIG Ideas of the תורה were.

We're giving you the same challenge - but not for the whole תורה, just for פורים. Using all you've learned about these holy days - what would you say are the BIG ideas of פורים?

Once you've got three BIG ideas think about what they have to do with your life. Don't be afraid to get personal - you don't have to share this with anyone other than your מדריך. We did one for you.

Connection to ME!

It isn't always popular or easy to stand up for what is right.

There have been times when I have seen something happening that made me feel uncomfortable but I didn't do or say anything. Maybe I should have.
