

BIG IDEAS

There's a famous story about a great rabbi who lived about 2000 years ago named Hillel. He is challenged to teach the entire תּוֹרָה while standing on one foot. Since it's hard to balance on one foot for a long time Hillel had to sum up the most important lessons of the תּוֹרָה really quickly. In other words, he had to figure out what the BIG Ideas of the תּוֹרָה were.

We're giving you the same challenge - but not for the whole תּוֹרָה, just for פֶּסַח Using all you've learned about these holy days - what would you say are the BIG ideas of פֶּסַח?

Once you've got three BIG ideas think about what they have to do with your life. Don't be afraid to get personal - you don't have to share this with anyone other than your מְדַרְיָהּ. We did one for you.
